

Who are we?

You have the opportunity to be part of the most wanted Big4 to work for! That's right, you can find us in The 2016 Most Desired Employers Survey powered by Catalyst.

Apart from this, you will be offered amazing professional challenges, excellent chances to test your academic knowledge, invaluable industry understanding and on-the-job learning from our experts as well as adventurous career possibilities!

Your benefits and your career path can be flexible to match your own priorities.

If you decide to join us, we will do our best to support you in achieving your full potential and help you to be part of our high performance culture.

Your story

Let's imagine this! At 1 October 2017, you are a TOP master student (in 1st or 2nd year) and you are looking for an entry-level job opportunity.

If these sound like you, then we might be a match! See below the other requirements.

Your profile

- YOU are studying for a degree in Economics, Technology, Mathematics, IT, Law or a related discipline
- YOU have been involved in different "out of the box" experiences
- YOU have strong problem solving, critical thinking and analytical skills
- YOU believe in acting ethically
- YOU take ownership of your work, as well as of your own learning and development
- YOU are "street smart"
- YOU show resilience in the face of challenges or obstacles

What we value

- YOU have a "change the world" attitude
- YOU have the ability to reach your highest and fullest potential
- YOU are business oriented
- YOU are committed to the highest levels of professional and personal excellence

You're about to start your life-time experience as an Audit or Tax Associate and you will be supporting audit & tax work on real projects together with KPMG professionals and taking part in a professional learning & development scheme.
