Join the 2nd edition of McKinsey's Romania. Reinvented. to win 2,500 RON and 1-on-1 career coaching!

Romania 2050: the Tiger of Central Europe – How can Romania become the fastest-growing, most advanced country in Central and Eastern Europe by 2050?

As McKinsey, we are committed to shaping the world of future by creating positive, enduring change for our clients, colleagues and local communities. As such, we are interested to hear about your vision on how Romania could become the next champion of Central and Eastern Europe. In particular, we want to learn about ideas that address the need for innovation within Romania (e.g., touching upon healthcare, education, technology).

We invite Bachelor and Master students, fluent in Romanian, to share their vision with us by submitting a written essay (max. 500 words) by June 30: <https://lnkd.in/e4AdJDXr>

The winner(s) will be announced on July 14, 2022.
