

# Visa Case Cracking

2023 Edition

Want to look under the hood of one of the world's largest payments network and drive tangible impact across the financial sector and beyond in CEE? That is what Visa and Visa Consulting & Analytics do – now it's your turn.

Visa Case Cracking 2023 in CEE region is the first edition of a **business case cracking competition for students** in Poland, Czechia, and Romania with a **focus on digital payments**

Meet **Visa consultants and ambitious peers** in a local Visa office for a one-day case cracking

Present the results to **Visa Executives** and get valuable feedback

Enhance your solution with **support from Visa Consultants**

Pitch your idea to **Visa Leadership** during the Regional Final and **win the main prize**
