

**Deloitte.**

Junior SAP Consultant | European Regional Delivery  
Center (ERDC)

Deloitte is thrilled to announce a unique opportunity for aspiring  , curious  , and open-minded  individuals to become part of our dynamic team.

If you're enthusiastic about innovation and logistics, have an affinity for SAP or IT, and are eager to thrive in a dynamic setting, why not step into the spotlight and take part in our upcoming assessment? You will have the opportunity to meet the best professionals in the area where SAP merges with Logistics.

Join us for an assessment on December 18<sup>th</sup> and explore the possibility of working with SAP technologies. We look forward to welcoming the next generation of talented professionals to contribute and grow with us.
