

Junior Actuary

We are looking for a Junior Actuary!

...and it is waiting for you to join the Actuarial team.

Enthusiasm is a must, ambition, is good too.

If you would like to:

- Support and prepare part of the financial and technical reports to the group and supervisory authority;
- Monitor periodically the products/ portfolios results, identifying profit or loss generating factors;
- Involve in reserving, pricing and product development processes;
- Perform and present different actuarial analyses requested by the management;
- Involve in Solvency II processes;
- Create and adapt actuarial models to evolving business needs;

And you have:

- Genuine passion for learning and personal development;
- Strong analytical and problem solving;
- Good organizing skills and strong follow through;
- University degree – Mathematics/ Economics – actuarial studies would be an advantage;
- Strong knowledge of MS-Office - especially advanced Excel; other technical skills would be a plus;
- Language skills – English medium level;
- Good communication and cooperation skills;
- Experience within the insurance sector would be a plus.

We offer:

In addition to a pleasant working environment, we offer you:

- the opportunity to gain experience in a top company in the insurance industry;
- attractive salary package
- meal tickets;
- gift vouchers;
- medical subscription.

Looking forward to working together! If you are interested, please send your resume to: resurseumane@signal-iduna.ro, claudiu.culcear@signal-iduna.ro
